ГЕОГРАФИЯ ПРОЕКТОВ

Стратегия&Брендинг

Ваш бренд — это больше, чем просто логотип или имя. Ваш бренд — это опыт, с которым знакомятся ваши клиенты, партнеры и сотрудники. Успешная стратегия бренда определяет то, что означает ваш бренд, путем тщательной адаптации сообщений, которые вы доставляете на своем веб-сайте и в социальных сетях, а также в рекламных роликах, кампаниях и т. д. Кроме того, стратегия бренда определяет то, как ваши работодатели взаимодействуют с клиентами. Стратегия бренда имеет решающее значение для позиционирования своего бренда и создания имиджа в бизнесиндустрии, чтобы донести сообщение бренда до клиентов.

УСЛУГИ

Бренд — существительное. Но он и глагол. Это может быть о том, что мы делаем. Но в целом речь идет о том, что на уме — на уме потребителя и на уме владельца бренда. Ваш бренд — это то, что определяет вас и отличает от конкурентов. Фирменный стиль отражает бренд, выделяя его на высококонкурентном рынке и создавая связь с клиентами. Визуальная идентификация — одна из важнейших частей создания бренда. В 3CUBA мы позаботимся о том, чтобы вы оставались узнаваемыми и заметными на протяжении всего пути к [еще большему] успеху.

КОМПЕТЕНЦИИ

Корпоративный сайт

Корпоративный сайт – один из самых мощных инструментов коммуникации и продаж в современном корпоративном мире. Это отражение маркетинговой стратегии и позиционирования бренда. Вот почему успешное создание онлайн-цифровой идентичности является решающим. Чтобы быть на шаг впереди, вам нужно нечто большее, чем просто хороший дизайн. Корпоративный веб-сайт должен быть интересным и привлекательным, отражающим ценности и цели вашего бренда. Более того, он должен быть удобным и интерактивным, приглашая ваших посетителей стать частью создания бренда. ЗСИВА поможет вам установить этот важный первый контакт.
